This filing discontinues Embarq's concurrence with the BellSouth Telecommunications, Inc. General Subscriber Service Tariff for Foreign Exchange Service. The regulations and rates included in this filing mirror those in the current BellSouth tariff; therefore no customers and affected by this change.

Regulations and rate elements for Type 2010 Station Terminals which are currently reflected in the BellSouth tariff are not included in this filing, because there is no current or anticipated demand for Type 2010 Station Terminals in conjunction with Foreign Exchange Service.

U100.16.4 FOREIGN EXCHANGE SERVICE PROVIDED BY MULTIPLE COMPANIES

- a. Each company will bill for the portion of the private line service provided by their respective tariff based on their regulations, rates and charges as appropriate.
- b. The charges billed by this company for the interoffice channel between Exchange Telephone Company central offices, are determined as follows:
